

## **Welcoming speech from Nam Soo Kim, a president of Kolon Corporation**

November 1, 2011

On behalf of Chairman Lee and Kolon Group, thank you Mr. Khaled for your visit to Kolon during your busy moment.

It is very honor for me to have a MoU signing ceremony for Islamic leasing today and cooperate with ICD in various projects.

It means a lot for us to enter into partnership for Islamic leasing with ICD.

First, I believe ICD's experiences in Islamic financing and Kolon's overseas business know-how create synergy for successful Islamic leasing project.

In addition, this partnership will be an opportunity for Korean government and companies to have interest in Islamic financing and find future relationship with Islamic financial institutions.

Our management and staff will do our best to make this project a successful starting point for future projects between ICD and Kolon.

Mr.Khaled, I would appreciate your continuous attention and support for the project.

Thank you.
